Head Measurement: Taken around the head, above the ears at the widest point.

Neck Measurement: Taken around the base of the neck following the collar bone at the front.

Chest Measurement: Measure around the fullest part of the chest, keeping tape under arms and around shoulder blades. Lower arms before reading the measurement.

Waist Measurement: Taken around the body at the belt line. Loosen belt and waist band of the pants to take a precise measurement (inside the waist band).

Hip Measurement: Stand with heels together and measure around the fullest part of the hips.

Shoe Size: Use running shoe size.

Height: Taken without shoes on. Stand straight against a wall, measure from top of head to floor.
